The Crescent English Breakfast Tea

Earl Grey

Large leaf black China tea scented with bergamot oil.

Decaf

Our English breakfast blend with only a touch of caffeine remaining.

Darjeeling

From the Himalayas. The Champagne of teas. A fruity, floral aroma, delicately flavoured and lightly coloured, it is widely acknowledged to be the finest of teas.

Red Berries

A fruit blend consisting of hibiscus, rosehip, apple pieces and orange peel.

Gunpowder

Tightly rolled, green-grey leaves that unfurl when infused. This Chinese tea possesses a slightly fruity flavour.

Oolong

Balanced between the richness of black tea and the tang of green tea Oolong delivers the best of both worlds.

Rooibos

A naturally earthy, caffeine-free full-bodied tea that comes from the bright green needled shrubs in South Africa. When processed they turn red.

Lapsang Souchong

A large leaf tea regarded as the best of the black Chinese teas, has a smoky, drawn-out flavour.

Camomile

Essential oils in Camomile flowers produce a soothing, pleasant aroma and a fruity character. A beautiful yellow cup, which gives way to a sweet, surprisingly juicy flavour.

Lemon & Ginger

Lemon brings a zesty zing, followed by the warming spice of the ginger.
